What We Fund

Regional Artist Project Grant funds are intended to provide financial support to a broad range of exceptionally talented visual, performing, literary and inter-disciplinary artists by funding a project that will have a significant impact on the advancement of their professional artistic career. The applicant may be an emerging or established artist and as a general rule should have completed some basic education in his/her art form. A deserving applicant will have a strong record of artistic accomplishment appropriate to the stage of his/her career. Regional Artist Project Grants are intended to fund a particular project that will conclude by October 31, 2019. While no specific limits have been established, awards may range from \$500 - \$1,000. Applicants may receive full or partial funding.

Who May Apply

Individual artists and small, unincorporated groups of collaborating artists are eligible to apply. Artist groups must have a formal partnership that furthers their careers in order to qualify. A jazz quartet, a dance duo or a visual artist partnership are examples of qualifying groups. Applicants must currently reside in New Hanover, Pender, Brunswick, or Columbus counties, and must have maintained residency in one of these counties for one year immediately preceding the application date. Applicants must be at least 18 years of age and cannot be currently enrolled in a degree or certificate program. Previous award winners must wait three years before applying again. For example, if you're awarded a grant in 2017-2018, you cannot reapply until the 2020-2021 grant cycle.
